Privacy policy

Data privacy is of high importance for signall.us and SignAll Technologies and we want to be open and transparent with our processing of your personal data. We therefore have a policy setting out how your personal data will be processed and protected.

Who is the controller of your personal data?

The Hungarian company, SignAll Technologies, is the controller of the personal data you submit to us and responsible for your personal data under applicable data protection law.

SignAll Technologies Zrt

4024 Debrecen, Wesselényi utca 2. fszt. 19.

Hungary

VAT registration number: 25475261-2-09

Where do we store your data?

The data that we collect from you is stored within the European Economic Area (“EEA”).

Who can access your data?

We never pass on, sell or swap your data for marketing purposes to third parties outside the SignAll Technologies.

What is the legal ground for processing?

For every specific process of personal data we collect from you, we will inform you whether the provision of personal data is statutory or required to enter a contract and whether it is an obligation to provide the personal data and possible consequences if you choose not to.

What are your rights?

Right to access:

You have the right to request information about the personal data we hold on you at any time. You can contact us at hello@signal.us and we will provide you with your personal data via e-mail within 30 days.

Right to portability:

Whenever signal.us processes your personal data, by automated means based on your consent or based on an agreement, you have the right to get a copy of your data transferred to you or to another party within 30 days in an electronic format. This only includes the personal data you have submitted to us.

Right to rectification:

You have the right to request rectification of your personal data if the information is incorrect, including the right to have incomplete personal data completed.

Right to erasure:

You have the right to erase any personal data processed by SignAll Technologies at any time.

Your right to object to processing based on legitimate interest:

You have the right to object to processing of your personal data that is based on SignAll Technologies's legitimate interest. SignAll Technologies will not continue to process the personal data unless we can demonstrate legitimate grounds for the process which overrides your interest and rights or due to legal claims.

Your right to object to direct marketing:

You have the right to object to direct marketing, including profiling analysis made for direct marketing purposes.

You can opt out from direct marketing by the following means:

- following the instruction in each marketing emails
- via e-mail at hello@signall.us

Right to restriction:

You have the right to request that SignAll Technologies restricts the process of your personal data under the following circumstances:

- If you object to a processing based SignAll Technologies' legitimate interest, SignAll Technologies shall restrict all processing of such data pending the verification of the legitimate interest.
- If you have claim that your personal data is incorrect, SignAll Technologies must restrict all processing of such data pending the verification of the accuracy of the personal data.
- If the processing is unlawful you can oppose the erasure of personal data and instead request the restriction of the use of your personal data instead
- If SignAll Technologies no longer needs the personal data but it is required by you to defend legal claims.

How can you exercise your rights?

We take data protection very seriously and therefore we have dedicated customer service personnel to handle your requests in relation to your rights stated above. You can always reach them at hello@signall.us .

Right to complain with a supervisory authority:

If you consider SignAll Technologies to process your personal data in an incorrect way you can contact us. You also have the right to raise a complaint to a supervisory authority.
